## Easter Egg Hunt

The children had a fantastic time doing their Easter egg hunts on Thursday here are some photos of them.

## Powercut

We are sorry for the unforeseeable powercut which happened on Thursday and ran into Friday so the children couldn't come to school. This was a fault with the cables which feed the electricity into school. As we write this newsletter we are back up and running on a temporary generator and Electricity North West will now find and fix the problem.

### **Parent Pay**

This is now up and running so we ask parents to use this to pay for dinners, trip etc. Now we are moving to this system, children cannot order school dinners if there is no money on their account as the systems are linked together. If you don't have lunch money, then you will be asked to put the money on the account or bring in a packed lunch for your child. We are wanting a cashless system so please can you ensure you sign up.

### **Inset Day**

Please note that Monday 12<sup>th</sup> April is an Inset day and the children are due back in school on Tuesday 13<sup>th</sup>. The school gates will be open at 8.45am and will close at 9am for all children but we will still be keeping the staggered times at the end of the school day.

### **Easter Egg Raffle**

The Easter egg raffle will now be drawn on Tuesday 13<sup>th</sup> April, if children want to buy any more raffle tickets they can do so on the first day back. The children were very excited about the draw so we thought we would leave it for them.
