## Ice Lolly Friday

Yes, this is back! Every Friday our amazing Y6 children will be selling ice lollies to raise money for their leavers party and end of year treats. Please send your child in with their 50p and the teacher will make a note of who has sent it and children will collect their lolly on the way out of school at the end of the day. Our Y6 children would like to thank you in advance for your support.

### **Beach Trips**

Over the next few weeks, you will receive a letter about your child going on a trip to the beach. Reception and Year 1 are visiting a beach close to school which we are walking to so do not need a permission slip returning. The rest of the school are going to Half Moon Bay by minibus so will need a permission slip returning to school.

The dates are

17th June Year 4

21st June Year 5

22nd June Year 3

23rd June Reception and Year 1

1st July Year 6

2nd July Year 2

Please send your child into school ready for the weather so a waterproof coat for a wet day and a hat and sun cream for a warm day. They will also need sturdy footwear. If your child brings a packed lunch from home, please provide this in a plastic bag. Children who normally have a school dinner will get a school packed lunch.

Look out for the letter and parentapp from your child's teacher.

### **Residential**

Our Y5 and Y6 children have the opportunity to go on residential every year. This is for three days at the YMCA at Lakeside. They get the opportunity to do a range of exciting activities like kayaking, ziplines and the famous kingswing where they swing through the trees like a monkey. This is a great opportunity for them to be away from home and build invaluable skills. This year's residential is on Monday and children need to come to school at the normal time. They will be leaving at 10am if you want to come and wave them off. Children will need a packed lunch for this first day. They will return by the end of the day on Wednesday. If your child is not going on the residential they will attend school as normal but will be joined together. Mr Jobling and Miss Phillips will be teaching these children a range of teambuilding activities. Children who are staying behind need their swimming kit on Monday please. If they don't bring it school will loan them one.

### **Meet your new teacher**

On the last Friday of this half term children will say goodbye to their class teacher. This will be the last day they spend in their current class. On Monday 19<sup>th</sup> and Tuesday 20<sup>th</sup> July they will move to their new class with their new teacher. It is really important that you don't miss these days as it is the settling in time so your child doesn't worry over the holidays about the change.

### **Events in school**

We are hoping that we will be able to invite parents to sports day and Y6 parents to the leavers assembly this year. This obviously depends on the current roadmap set by Boris Johnson. It may be that we have to do the leavers assembly outside and split the sports day into two smaller sessions. We will keep you informed as soon as we have been told what is allowed. Our hope is that we can safely allow parents on site to celebrate your child's achievements.

## New to Reception

Yesterday we welcomed our new families who have children joining us in September. It was great to see some new faces that we can add to our West End Family. If you know anybody who is looking for a place in September please ring the school office.

## ParentPay

We will be moving to a cashless system in September so it is important to ensure you have this app to pay any trips, dinner money etc. If you need support with this please ring the school office who can talk you through it. This is a different app to Parentapp. The app looks like this-
