

Equalities Statement and Action Plan 2023 – 2024

At West End Primary School, Governors and Staff are committed to ensuring equality of opportunity for all irrespective of race, gender, disability, belief, sexual orientation, age or socio-economic background in line with the Equality Act 2010. We aim to develop a culture of inclusion and diversity in which all those connected to the school feel proud of their identity and ability to participate fully in school life. This commitment applies to our work in the classroom, our pupil support systems, our recruitment and retention of staff and our work in the local and wider community.

1. OVERVIEW

1.1 This policy reflects the Single Equality Act 2010 which harmonises and replaces previous legislation including the Race Relations Act 1976, Disability Discrimination Act 1995, Gender Recognition Act 2004 and Sex Discrimination Act 1975.

This policy therefore supersedes all previous school policies on Disability, Ethnicity (ie Race) and Gender.

1.2 The Single Equality Act combines the existing three duties into one new Equality Duty that covers all seven of the equality strands: age, disability, gender, gender identity, race, religion or belief and sexual orientation.

In this school we will ensure that at every level, in all our work and throughout all aspects of the school community and its life, everyone will be treated equally.

This Single Equality Policy summarises the school's approach in ensuring equality for all.

2. OBJECTIVES

2.1 To ensure that all learners have equal access to a rich, broad, balanced and relevant curriculum.

2.2 To advance equality of opportunity by ensuring that teaching, learning and the curriculum promote equality, celebrate diversity and promote community cohesion by fostering good relations.

2.3 To eliminate any discrimination, harassment and victimisation. To ensure that no-one is unfairly or illegally disadvantaged as a consequence of their age, disability, gender, gender identity, sexual orientation, colour, race, ethnic or national origin, disability or religious beliefs.

2.4 To recognize and celebrate diversity within our community whilst promoting community cohesion.

2.5 To ensure that this policy is applied to all we do

2.6 To ensure that pupils and parents are fully involved in the provision made by the school.

2.7 To ensure that within the school budget, adequate funding is provided to underpin this policy and that intervention, positive and preventative action is funded where necessary.

3. GOOD PRACTICE

3.1 We strive to achieve a cohesive community and expect that children respect one another and behave with respect to one another, and that their parents feel fully engaged in the school.

3.2 We aim to enhance a wider sense of community locally, as well as in the context of the UK and the World communities.

3.3 We support the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998. Through our policies and actions we undertake to ensure that every child and young person is healthy, safe, is able to enjoy and achieve in their learning experience, and is able to contribute to the wider community.

3.4 We consider it prudent and sensible to maintain the practice of logging racist incidents and reporting them to the local authority. We monitor and log incidents that discriminate against children and young people or adults in our school with protected characteristics, eg homophobic bullying. We also monitor and log bullying incidents, particularly those directed towards those with special educational needs.
