

# West End Primary School Year 5 Mathematics Yearly Overview 23-24

|        | Autumn 1                                | Autumn 2                                     | Spring 1   | Spring 2                                   | Summer 1                            | Summer 2                                  |
|--------|---|--|--|--|-------------------------------------|---|
| Week 1 | Place Value                             | Multiplication and Division                  | Decimals<br>Percentages                                  | Number - Factors, Prime,<br>Square Numbers | Place Value<br>Roman Numerals       | Statistics                                |
| Week 2 | Place Value                             | Multiplication and Division                  | Mental and Written<br>Calculation for Four<br>Operations | Measurement - Length,<br>Mass, Capacity    | All Four Operations                 | Coordinates Reflection and<br>Translation |
| Week 3 | Place Value                             | Multiplication and Division                  | Fractions Compare, Order &<br>Equivalence                | Measurement - Problem<br>Solving           | Money                               | Shape                                     |
| Week 4 | Addition and Subtraction                | Assessment Week                              | Fractions - Calculations                                 | Statistics                                 | Fractions - Calculations            | Assessment Week                           |
| Week 5 | Addition and Subtraction                | Measurement / Geometry -<br>Perimeter / Area | Time   | Coordinates Reflection and<br>Translation  | Fractions, Decimals,<br>Percentages | Problem solving with time<br>and measure  |
| Week 6 | Addition and Subtraction -<br>Reasoning | Money - Four Operations                      |  | Perimeter, Area and Volume                 | Time                                | Problem solving with the 4<br>operations. |
| Week 7 | Geometry - Shape                        | Christmas<br>week                            |  |  |                                     | Transition Week                           |
